PROJECTS

- **DCF Analysis & Valuation Models** - built valuation and financial models (DCF, comparable company analysis) for equity research coverage, applying quantitative techniques to estimate intrinsic value.
- **Company Initiation Reports** - authored analyst reports summarizing financial performance, capital structure, and investment thesis.
- **Equity Research Reports** - Conducted an independent equity research report covering business overview, financial analysis, and valuation perspective on the company.
- **Mutual Fund One-Page Reports** - condensed fund performance and KPIs into concise, client-ready one-pagers.

WORK EXPERIENCE

Equity Research Intern - Modani Financial Services Limited, Jaipur (Sep 2025 – Oct 2025)

- Built KPI dashboards and peer comparison models (ROE, EPS, D/E) for 5+ listed companies, applying business valuation methods to benchmark performance across small-, mid-, large- and flexi-cap categories.
- Conducted DRHP due diligence on IPO-bound firms, preparing 5–10 page investment memos assessing capital structure, financial performance, and valuation.
- Analyzed 550+ client portfolios (₹50+ Cr AUM) and maintained 100+ mutual fund files, tracking NAV, returns, and sector exposure across NJ Wealth and Investwell platforms with high attention to detail
- Authored 60+ daily market research reports, pairing quantitative analysis with clear investment commentary for client-facing uses

JOB STIMULATIONS

JP Morgan -Investment Banking - Forage

- Identified an ideal M&A target for a client based on strategic and financial criteria.
- Calibrated a DCF model to calculate the valuation of the M&A target.
- Created a 2-pager for a client containing company profile and summary of auction process.
