WORK EXPERIENCE

Equity Research Intern - Modani Financial Services Limited, Jaipur (Sep 2025 – Oct 2025)

- Analyzed 550+ client portfolios (₹50+ Cr AUM) and maintained 100+ mutual fund files, tracking NAV, returns, and sector exposure across NJ Wealth and Investwell platforms.
- Tracked monthly holdings of 20 AMCs across small-cap, mid-cap, large-cap, and flexi-cap categories, building recurring KPI-benchmarking output against peers.
- Built KPI dashboards and peer comparison models (ROE, EPS, D/E) for 5+ listed companies; conducted DRHP due diligence on IPO-bound firms with 5–10 page investment memos
- Authored 60+ daily market research reports and compiled AMC-wise brokerage/SIP comparisons, IEPF compliance tracking, and tax/ELSS planning support for client portfolios

PROJECTS

- DCF Analysis & Valuation Models** - built valuation and financial models for equity research coverage.
- Company Initiation Reports** - authored analyst reports summarizing financial performance and investment thesis.
- Equity Research Reports** -
- Mutual Fund One-Page Reports** - condensed fund performance and KPIs into concise, client-ready one-pagers.
